Dear Mr. Morss:

Many thanks for your letter of recent date giving report on reception of C F J R. We are very pleased to be able to verify this. We were broadcasting from 2;00 to 4;00am, Monday, March 10th.

We are at present broadcasting from a 250 watt transmitter with a 170 foot vertical mast. We are installing a new transmitter within the next few weeks, and will be conducting another D X broadcast later to test the coverage of our new equipment. We are keeping your letter on file and will inform you of the date.

Thanking you for your interest.

Yours very truly
